# Quartix

Real-Time Vehicle Tracking

Quartix delivers real-time vehicle-tracking and telematics solutions to fleets of all sizes. Businesses choose Quartix because we offer cost-efficient solutions that are easy-to-use.

Over 10,000 companies rely on Quartix every day to gain actionable insight into vehicle movements, engine usage, driver behaviour, and fuel consumption.

*"I would conservatively estimate the return on investment to be in the region of ten times the capital outlay."*

Sales Partner
